

Please leave NJ's "do not call" lists intact. Some consumers, myself included, pay extra for unlisted numbers because we do not want to be bothered by telemarketers who usually call at inoportune hours. Now that everyone has access to a lot of personal information on the internet, surveillance cameras, swipe for entrance ID cards, etc. the "do not call" list is one of the last bastions of privacy. Please keep unwanted telemarketers out of our hair by leaving the "do not call" lists intact in NJ.

Thank you for your consideration.
